COMPANY PROFILE

WE DESIGN AND BUILD INSPIRING, ENGAGING, INTERACTIVE SPACES AND INSTALLATIONS

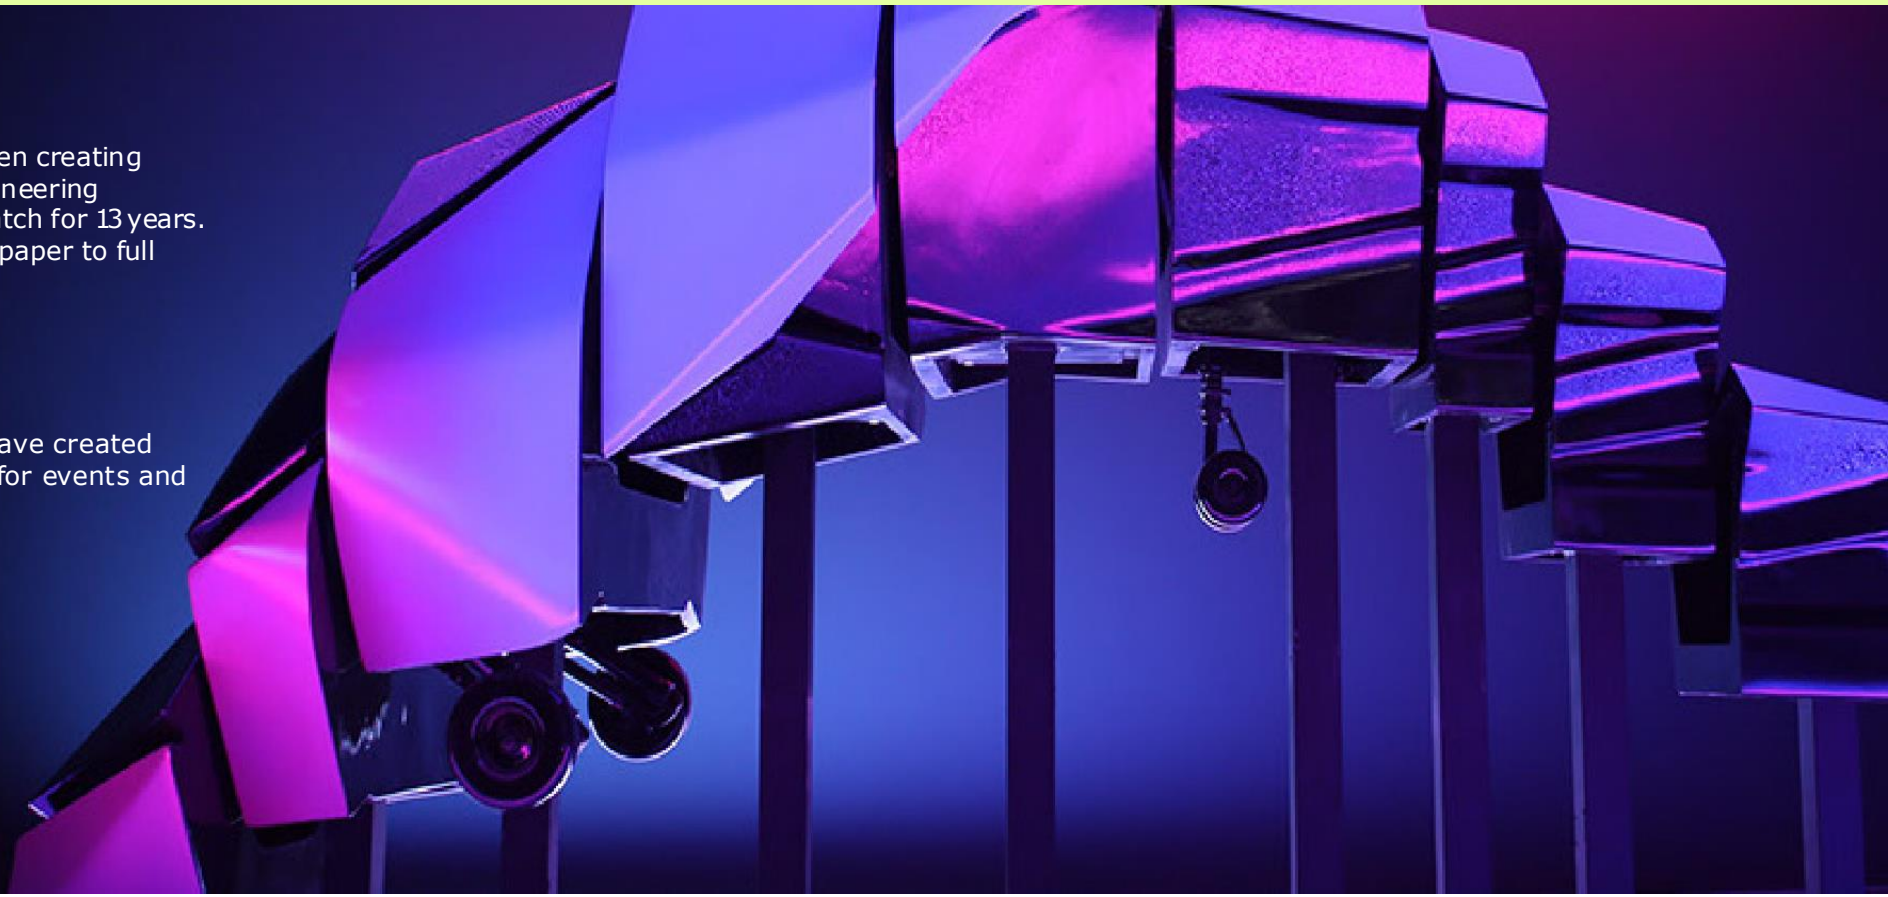

Tumkey projects or partners at any project stage. Novelty, quality, dialogue and a commitment to service are key in developing concepts and realizing them.

12 YEARS

Our studio has been creating sophisticated engineering projects from scratch for 13 years. From a sketch on paper to full realization

2013

Since 2013, we have created engaging spaces for events and exhibitions

Rigged bulkheads are a great way to increase the branding visibility of your exhibition stand & gives more space to design the stand creative wise. Bulkheads also has a brilliant platform for lighting & huge impact to give a bold image to your project.

RIGGED BULKHEADS & HIGH VISIBILITY

Exhibiting is all about catching the attention of the visitors. It is the abracadabra time where your company brand will pop up a life from printed paper. The audience wants to feel connection & communication of who you are and what you do.

DESIGN & DISPLAY OF YOUR PRODUCT

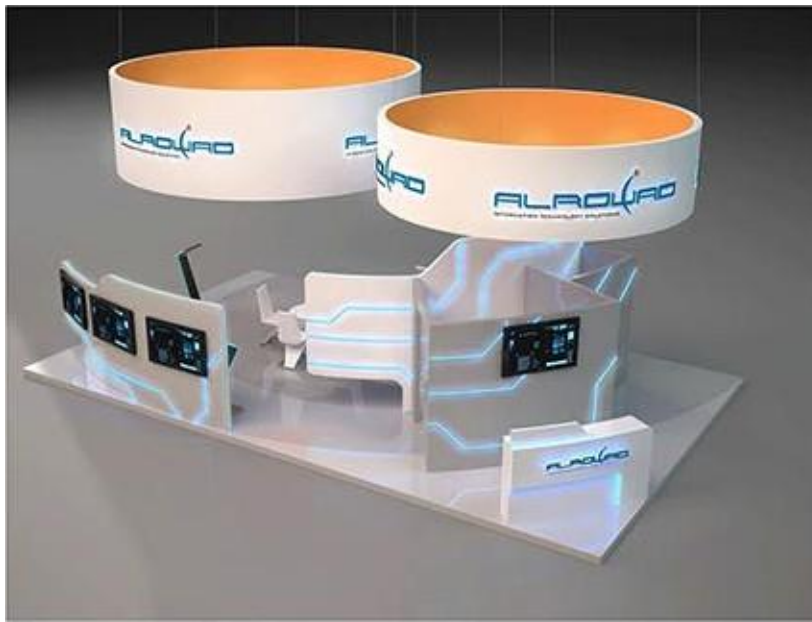

We attach great importance to our ability to ascertain the quality and progress of our projects at any point in time. Our methods ensure that with every step we take we fulfill our customers' requirements, creating exceptional, memorable brand spaces.

ADIPEC 2014

GITEX Technology week is one of the largest trading events in Dubai, and it is back again this year. Over 1,000 media outlets from around the world gather in this annual event, which has been running for over 32 years.

GITEX 2014

In its 40th year, the Arab Health Exhibition and Congress, the region's largest and world's second largest health-care congress and exhibition, will host 4,000 exhibitors and welcome over 93,500 visitors from the health-care industry
